Within this program, we have attempted to attribute credit to all involved. Sorry if we were too sleep deprived and forgot about you. Mad thanks to Joel Foster for filming/editing every film, Gabe Olo for filming on multiple films, and MJ Watz for assistant direction on some films. Thanks to Jeremy Segal and Katie Cocchi for helping Joel and Tom on the "executive" writing team. You are good "executioners."

Even though a writing credit is given to the original writer, every sketch is truly a team effort and the entire ten plus team deserves the credit. (Writing team, you know who you are you funny rat bastards just oozing with comedic talent. Or is that oozing some sort of infection? Better get it checked out by a doctor.)

Thank You David Pike/Screening Room for hosting!

Thanks to everyone that pitched in with extra help to make this show happen: Katie Cocchi, Rachel Okpysz, Collin Chomiak, Jana Gojic, Rory Monserat, Eli WT, Jeremy Segal, Tammy King, The Otamendi Brothers, Frank Powers, Rory Monserat, Megan Cracovaner, Marguerite Saxon, Melissa Espericueta, Jon Dueñas, Allana Erickson-Lopez, Thomas Obernesser, Gabe Olo, and the "big 3" Joel/Rich/Tom
