Credit has been given to all involved within this program. Hopefully. Although individual sketch authors are specified, the Keep Tucson Sketchy writing team works in unison to hard edit, “punch up” and bring you hilarious entertainment, so props and love to all.

Most sketches you’ll see tonight were created in 2021. Because of the pandemic, some were produced in early 2020, but have had delayed release until tonight. One sketch is a “fave” from Christmas past (*Christmas in Tucson, 2019*) and another was written in late 2018 even before our first episode! (*Safety Officer*) The point is, good comedy is timeless, and unfortunately, the tragedy in this world also seems to be timeless. Hopefully our little comedies can provide some joy and respite from the big tragedies. Buy some alcohol and enjoy the show!

**Thank You David Pike/Screening Room for hosting!**
