We are excited to make our first appearance at Unscrewed Theatre (a place of improv) for our 2022 holiday show, even though we are a sketch comedy show. Although much of our cast has years of improv experience, sketch comedy is a different art than improv because all of our sketches are written ahead of time and hard edited by our entire comedy team which features talented comedians, actors and writers.

This show has all new material performed for the first time tonight with a few favorites from Christmas past in the mix. Enjoy the show!

Thank You Unscrewed Theatre for hosting!

SPECIAL THANKS TO KURT & JEN & FRANK for letting us use your respective houses! Hopefully we didn't drink too much seltzer or incur any property damage.

Thanks to Tom Heath, our top Patreon Supporter!!!

All videos filmed and edited by Joel Foster unless otherwise noted.

Thanks to our film crew aka our cast members!

Thanks to everyone who helped out with this show in any way!!!
