Keep Tucson Sketchy is looking for more show sponsors to support this fabulous show because original theatre is expensive. If you would like to somehow exploit our audience and advertise with us, please email keptucsonsketchy@gmail.com. With your support, we can produce some very funny local entertainment!!!

We tried to attribute proper credit to all involved in this program and hopefully we found success. Sketch authors are specified, however, the writing team works in unison to hard edit, “punch up” and bring you the funniest entertainment possible, so love and thanks to all the writers who participated. The pandemic has not been the easiest environment to create and produce funny and engaging original theatre, but we’ve thrived in the crucible of these times to create some “fire” comedy. This show has been curated with the best live and filmed sketches of the pandemic, some of which are making their Screening Room debut. Buy some alcohol and get your laugh on!

Thank You David Pike/Screening Room for hosting!

SPECIAL THANKS TO TOM HEATH!!!
