Hosted by Tom Heath
Musical Guest: Rae L
Stage Managed by Collin Chomiak

We are excited to make our second appearance at Unscrewed Theatre to debut an entire all new lineup of hilarious live and filmed sketches. We created some pretty poignant satire for this episode and we hope you appreciate the way we skewer and poke fun at the ridiculousness of our world. By holding up a comedic mirror to expose the grotesque nature of what we see, we hope you laugh at the absurdity and if you are offended then you might need a surgical "operation" from the Parker Brothers to fix your funny bone. Thanks to our entire writing team. Although we issue writing credit to a specific writer, every sketch is collaboratively hard edited in an ultimate team effort.

Enjoy the show!

Thank You Unscrewed Theatre for hosting!

SPECIAL THANKS TO Collin & Tom & Megan & Frank & Rich for letting us use your houses! Sorry for any body odor we may have left behind.

Thanks to Tom Heath, our top Patreon Supporter!!!

Thanks to our film crew aka all our cast members!
